Land on 318.00 Acres

Seabrook, Seabrook, SC

Seabrook Farm which consists of 318+- acres of open fields and wooded areas is for sale. This property located just outside of Beaufort SC is rural and could make a very private estate or low-density subdivision. There are farm roads running through beautiful stands of oaks and dormant fields. The property also includes a small post office that is leased to the US Postal Service. This opportunity is so hard to find in coastal South Carolina and this one should not be ignored. The owners will retain an easement to go from the downtown Seabrook area to their remaining property. This property is being sold with its current zoning as is.
