Here is another AMAZING opportunity for the investors that are looking for double the bang for their buck. This property has 2 homes that are ready for you to take over and continue the project that was started. The main home is listed as 1,340 sf according to tax accessors with 3 bdrms and 1 bath. There is an additional room that can easily be a 4th bedroom. There's a designated living room, however; there is also a closed in garage that can be used as a den, and an additional room large enough to be a family room. The unfinished Tiny Home is 640 sf, 2 bed / 1 bath. This would be great to make for a Mother-In-Law suite or guest house. CASH ONLY!!
