OCEANFRONT CLASSIC 1970's CAROLINA BEACH HOUSE on the CORRECT side of the critical line, baseline, & setback line! These classic cottages were popular for so many reasons! The glass french doors act as if the beach is saying WELCOME HOME. The open main living space runs down the center of the home with 2 bedrooms sharing jack and jill baths on either side of the living space. 3 of the bedrooms can fit a king bed. The wrap around porch leads to a HUGE back porch that is covered, screened, and spans the entire length of the home. The garage will fit multiple cars and has a screened area with sink. It would also be the perfect play area for inclement weather. THIS HOME HAS NEVER BEEN A RENTAL & IS CLEAN, CLEAN, CLEAN

Built in 1993
