3 Bedroom, 2.00 Bathroom, 1,632 sqft
Residential on 0.41 Acres

Paris Ave East, Port Royal, SC

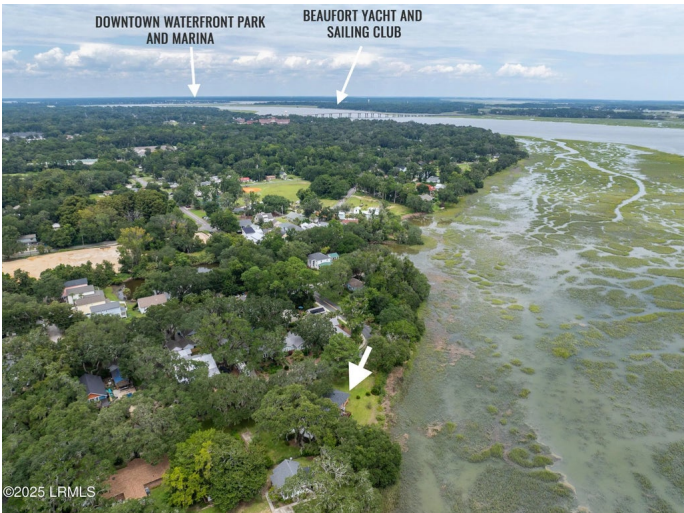

One of the most unique, and rare opportunities in Historic Port Royal with over 268 feet of water frontage. Perched on a secluded curve with Intracoastal Waterway views, this home captures an unobstructed panoramic view where the waterway widens and shimmers beneath endless sky. Unlike most ICW properties hemmed in by neighboring docks, this location offers open marsh/water, barrier islands, and distant ocean inlets views.

The view is a living painting – yachts and sailboats gliding by, dolphins playing in the tidal currents, and golden Port Royal sunsets are some of the many benefits of ownership you get to enjoy.

Built in 1960
