3 Bedroom, 2.00 Bathroom, 2,006 sqft

Residential on 0.15 Acres

Dataw Island, St. Helena Island, SC

Great home in the heart of Dataw Island at a great price! Walking into this cottage style one level home you will be drawn to the vaulted ceilings in the main living area with abundant light from newer skylights! The kitchen boasts new Bosch appliances and gorgeous high end Vetrostone countertops made with glass and seashells. There are two dining areas, one formal and one eat in kitchen style. The primary bedroom is large with incredible golf views! There are two other bedrooms with a cute courtyard between them. Off the main dining room is a huge sunroom with floor to ceiling Anderson windows flooding the home with natural light. In addition there is a large screened in porch with high ceilings and a huge deck just beyond overlooking a park like professionally landscaped yard. The home has a mix of hardwood floors, travertine in the entryway and new luxury vinyl flooring in the screened in porch. The driveway is the upgraded tabby and brick mix. Newer Bermuda shutters have been added to give the home incredible charm! The two car garage is oversized with plenty of storage above. The home has a beautiful view of the 15th hole of our premier Cotton Dike course. At a little over 2000 square feet, this is a great home at a great price!
