Long Point, Savannah, GA

Long Point Oasis. Coastal Classic Custom home with Sweeping Italian Style Entry, built by owner in 2004. A long, elegant drive escorts you along the lush grounds to this preeminent beauty. A grand, double staircase leads to the main floor. Enter through mahogany framed, etched glass doors which set one's gaze outward to sublime marsh and river views. Understated elegance highlights 14' ceilings, Brazilian Cherry floors, arched doorways and fine mill work. Enjoy single level living with a split floor plan. A luxe primary suite and office on one side; 2 guest bedrooms, Mother-in-Law suite and elevator on the other. Enjoy stunning marsh and river views from the private heated pool or the expansive wraparound verandah. The unique fine tabby exterior shimmers in the sunlight. This home's grandeur overshadows the many, well thought out mechanical details. For the car enthusiast, a 5,000 sqft garage space on ground level can accommodate a vast collection.
