5 Bedroom, 4.00 Bathroom, 3,225 sqft
Residential on 0.27 Acres

Village/Autumn Lake, Savannah, GA

A rare opportunity to own one of Autumn Lake's most loved—and hardest to find—floor plans: the Majesty II by Hallmark Homes. With 5 bedrooms, 3.5 baths, and 3,225 sq ft, this layout is prized for its main-floor primary suite and laundry, flexible living spaces, and timeless flow. The first floor includes a formal dining room, tall ceilings, a dedicated office with pocket doors, and a spacious living area anchored by a brick-surround gas fireplace. The kitchen offers granite countertops, stainless appliances, recessed lighting, a walk-in pantry, and a butler's area for added storage. The primary suite features a walk-in closet, water closet, double vanity, jetted tub, and separate shower. Upstairs are four additional bedrooms, including a large bonus with closet—ideal as a fifth bedroom, media room, home gym, or creative flex space. The screened porch lives like a second dining or sitting area and overlooks a flat, usable backyard. A new roof was installed in May 2025, and builder-grade HVAC units were replaced. 2-car garage, main-floor laundry, and ample storage throughout. Set on a 0.27-acre lot in flood zone X with access to a pool, playground, and walking trails. These floor plans rarely come to market—don't miss the chance to see why it's so well loved.
