4 Bedroom, 1.00 Bathroom, 1,242 sqft

Residential on 0.15 Acres

Shamrock Lawns, Savannah, GA

This all brick home has a roof, HVAC, appliances, flooring, and windows that are all less than 10 years old. The front yard showcases a lovely low-maintenance English garden style flowerbed. Inside, the garage has been closed in and finished to become a fourth bedroom, playroom, or home office. It's separated from the living room with trendy barn doors. The laundry room has cupboards and shelves for storage, and counter space for folding. A large pantry off the dining room adds to the total storage space of the kitchen. There are updated cupboards, water features, and more throughout the kitchen and bathroom. Out back, the massive extended patio includes a gazebo wired for electricity, allowing string lights, television, and more. At Derenne Avenue and Skidaway Road, the home is conveniently located near shopping centers and hospitals, and its right around the corner from Juliette Low Elementary and Herschel V. Jenkins High School, just minutes from the Harry S. Truman Parkway.
